Title: Communications Committee Update

Desired Outcome: Board awareness of 2015 Waters to Watch timeline and communications activities

Background: Traditionally the Communications Committee of the National Fish Habitat Partnership releases the 10 Waters projects, which have been approved by the Board, in May of each year. Below is a campaign timeline that will be coordinated with the FHPs and Communications Committee for 2015.

- Guidance/Requirements sent to FHPs regarding project selections (March 16)
- Deadline for Submissions from FHPs (April 7)
- Conference call of Partnerships Committee/Communications Committee (April 13)
- Project list sent to Board for Approval (April 17)
- 2015 Waters to Watch Announcement (May 4)

Other Communications Updates: Website development, State Agency engagement, Legislative Affairs communications.
