

FWS Cooperative Agreement Award F15AC00861
Eastern Brook Trout Joint Venture Coordination and Operations FY15

Scope of Work:

- 1) Assist with refining the EBTJV's strategic objectives and key conservation priorities using the results of the recently completed status assessment of wild Brook Trout at the catchment scale.
- 2) Collaborate with neighboring Fish Habitat Partnerships and other conservation entities to ensure strategic conservation actions among this community are synchronized.
- 3) Solicit fish habitat conservation projects that address wild Brook Trout priority needs.
- 4) Coordinate and compile information on wild Brook Trout conservation activities and improvements in wild Brook Trout habitat condition for use in measuring progress towards conserving wild Brook Trout.
- 5) Promote the accomplishments being achieved in conserving wild Brook Trout to targeted audiences in coordination with the FWS.
- 6) Serve as Business Manager for the EBTJV.
- 7) Serve as liaison with National Fish Habitat Partnership efforts.
